### Comments

Wines that express their origins, their single vineyards, as beautifully and clearly as those from Vietti have become an exception in the wake of egalitarian oenology. When other Baroli have long since passed their zenith, they begin to unfold and gain aromatic complexity.

### Pairing

Goes well with red meat and mature cheeses.

### Tasting notes

Garnet color. Richly rounded with a robust and velvety texture, intense aroma with hints of figs and plums. Elegant with a soft and sweet tannins and with a long finish.
