Comments

The Madre Goccia (= Mother Drip, because it is obtained from the first soft pressing of the grapes) is, in our opinion, a sensational cuvée of Greco bianco and Chardonnay, briefly aged in barriques. Nose and fullness of noble wine, sweetness and fruit of beautiful, splendid terrace wine: these are the characteristics that make this wine so seductive. A creation of freshness, great fruit aromas paired with extremely successful discreet use of barrique. Rarely has a wine won so many fans in such a short time!

Pairing

A wonderful accompaniment to antipasti, fish dishes and crustaceans, as well as an aperitif wine with fine appetizers.

Tasting notes

Straw yellow with greenish highlights. On the nose, floral with a slightly dry apricot flavor and esotic fruit. Harmonious, fresh and diverse on the palate.
