Comments

Chianti Classico producers have introduced a three-tier classification model. The Gran Selezione is now the crowning glory over the vintage wine (Annata) and the Riserva. The Gran Selezione is made from grapes from the best vineyards of a winery, according to strict rules and even stricter controls.

Pairing

Red, grilled meat, game, cheese.

Tasting notes

The flavors are incredibly complex, concentrated, clearly defined and polished. The impression of a strong breed continues on the palate and is remembered for a long time.
