Serving temperature	9 -12° C
Alcohol content	13.5 %
Article no	28201724

Comments

The selected grapes are destemmed after the late hand harvest and gently pressed after a cool maceration period. Fermentation is then initiated with the help of selected yeasts and fermented in a temperature-controlled steel tank for 20 to 30 days. The wine is stored in steel tanks for four months before being bottled.

Pairing

Perfect with fatty fish (cod), offal (tripe) and medium-ripened cheeses.
