Comments

This handcrafted Swiss gin is made from carefully selected juniper berries and a unique blend of spices and exotic fruits. Our distillery in Hallau (SH) has been producing fine brandies since 1894. Enjoy this unique gin pure or with a premium tonic water.

Tasting notes

The Falco Gin impresses with its soft notes, which are given by ripe, exotic and forest fruits. The bottle of Falco Gin is decorated with a colorfully feathered head of a falcon. This points to the home of Falco Gin, the Swiss mountain wilderness, and pays tribute to it.
