### Pairing

Enjoy Frakmont Gin in the classic Gin & Tonic style with a neutral-tasting premium Indian tonic, and garnish the glass with a fresh sprig of rosemary to perfectly highlight the alpine notes.

### Tasting notes

From the very first sip, Frakmont delights with an incredibly delicate, classic juniper aroma, accompanied by a zesty, light citrus note. Local herbs and berries from the foot of Lucerne's local mountain come into their own here. The finish reveals a crisp, harmonious note of rosemary, which, together with a subtle hint of ginger and clear mountain water, ensures a long-lasting, fresh finish.
