## Comments

Developed and distilled in Obwalden, with hand-picked juniper berries from Nidwalden, this Premium GIN combines the variety of intensive aromas and brings them to a balanced, common denominator. Walden – in the spirit of friendship. The finest grain alcohol is harmoniously combined with 13 botanicals. The variety of aromas of this floral, sweet-tart gin unfolds on the palate as pure pleasure. With the addition of dried hibiscus blossoms (included in the "Riissäckli"), the Walden Gin reaches its optical and tasty peak. A gin for friends with the highest standards. The Walden Barrel Gin is the barrel-aged version of the Walden Dry Gin. The 6-month aging in a rum barrel, refined with French oak, gives the gin a golden hue, a fine, slightly smoky aroma with a hint of vanilla and a smoothness that brings joy.
