Tasting notes

Appearance: Intense amber color tending towards golden yellow, inviting. Fragrance: aristocratic, enveloping, fine, warm, mild, harmonious, seductive, clearly confirms the note of the original grapes, exotic fruits, pineapple, very ripe citrus fruits and rennet apple, with delicate nuances of nuts, elderberry, delicate lily of the valley, acacia, wisteria and rosamrine. Taste: Particularly soft, sweet, pleasant, velvety, mild, gentle, with great aromatic variety and balsamic and roasted notes.
