Comments

The Marzadro family, thanks to decades of experience in the aging of spirits, has released a special limited edition of their first Grappa Stravecchia. The Dicocto Lune are obtained by Bagnomaria distillation in discontinuous stills from pomace of the five Trentino grape varieties Marzemino, Teroldego, Merlot, Moscato and Chardonnay. The Riserva Anniversario initially matures for 18 months in small barrels made of oak, cherry, ash and robinia wood. This is followed by another 18-month aging period in cherry wood barrels. The additional refinement decisively emphasizes the contrast of wood and grappa, giving the traditional Le Dicocto Lune an ethereal scent and a round taste accented with cherry aromas. A fusion of sensory impressions that offer a unique experience.
