Comments

The Grappa Barbaresco has a very noble effect and gives the Grappa Barbaresco an even more elegant appearance. This tin, which is precisely tailored to the grappa bottle, is very well suited as a gift wrap and also serves to protect the bottle.

Tasting notes

The Grappa Barbaresco is smooth and has a pleasant, spicy bouquet with lots of fruit. This fine, full-bodied grappa shows subtle notes of cherry and almonds and is only distilled from the best aromatic pomace.
