Article no	72301500

Comments

Grappa di Sassicaia is a cooperation between Tenuta San Guido and the Poli distillery in Vicenza (Veneto). Sassicaia and Jacopo Poli are a real dream team. One of the best distilleries in the country and barrels in which one of the best wines in the country was previously allowed to mature.

Pairing

After a meal or just to enjoy.

Tasting notes

Its scent is delicately spicy of cedar wood, vanilla, cinnamon, cocoa and coffee, along with delicate notes of candied fruit, some honey and a fragrant sweet taste of jasmine. Powerful on the palate, structured with a soft fullness, fine varietal-typical fruit and herbal aromas blend very elegantly with warm-spicy barrique notes, long in the finish with a hint of aniseed and liquorice - a truly majestic grappa.
