### Comments

Andrea Marzadro's Espressioni contain the best that distillation could offer this year and thus demonstrate the will to take the connoisseur into ever-new taste experiences of superior quality. Espressioni Futura are obtained through the Bagnomaria distillation of individual Chardonnay and Merlot grape varieties, which are skillfully combined one after the other before ripening.

### Pairing

After a meal or just to enjoy.

### Tasting notes

With its round and decisive scent, the Espressioni Futura also impresses on the palate: fascinating texture, rich and balanced.
