Article no	71707700

Comments

For Marzadro, aging in barrels is a continuous search aimed at enriching the result of a careful distillation. Andrea Marzadro's Espressioni encapsulate the best that this year's distillation was able to give, and thus testify to the will to lure the connoisseur into ever new taste experiences of superior quality. Espressioni Aromatica are obtained through the Bagnomaria distillation of individual Gewurztraminer and Müller Thurgau grape varieties, which are skilfully combined one after the other before ripening. Limited production approx. 1500 bottles per vintage.

Pairing

After a meal or just to enjoy.

Tasting notes

Amber colour, elegant, harmonious, markedly soft. Hints of vanilla and tropical fruit on the finish.
