Comments

Andrea Marzadro's Espressioni enclose within them the best that distillation could give this year, testifying to the will to take the connoisseur into ever new taste experiences of elevated quality. Espressioni Futura are obtained through the Bagnomaria distillation of individual grape varieties Chardonnay and Merlot, which are skilfully combined one after the other before maturing.

Pairing

After a meal or just to enjoy.

Tasting notes

With its round and resolute fragrance, the Espressioni Futura also impresses on the palate: Fascinating texture, rich and balanced.
