Comments

Grappa that expresses the elegance of the Trentino tradition and brings out the best of it by appropriately combining the typical grape varieties of the region, their temperature variations and fragrances, and additionally refined by the experiences of past centuries. Obtained through the careful Bagnomaria distillation in a discontinuous still from single grape varieties Teroldego, Marzemino and Merlot, it is exceptionally fresh and elegantly dry. It is a tribute by the Marzadro family to the region in which they live.
