Article no	72801101

Comments

The Grappa Rossj-Bass can has a very noble effect and gives the Grappa Rossj-Bass an even more elegant appearance. This tin, which is precisely tailored to the grappa bottle, is very well suited as a gift wrap and also serves to protect the bottle.

Tasting notes

The Grappa Rossj-Bass, made from Chardonnay pomace, pleases with its typical fruit. A great spirit with hearty freshness.
