Comments

A masterpiece of grappa production. First-class marc, gently processed, stored for years in the same red fir wood from which Stradivaris are made and in a noble 1.5-litre decanter and elegant reddish wooden box.

Pairing

After a meal or just to enjoy.

Tasting notes

Appearance: Intense amber color tending towards golden yellow. Fragrance: noble, sunny, complex, pure, suggestive, spacious, lively, rich, velvety with aristocratic finesse, enriched with a wonderful olfactory concert of soft shells of walnuts, roasted almonds, cocoa, coffee, vanilla, amaretto, fresh pastries around floral notes of elderberry, wisteria, magnolia, acacia, delicate lily of the valley, an interplay of fruity notes of plums, apricots, raspberries, maraska cherries, blueberries and very ripe red berries. Taste: persistent, aristocratic, pleasant, honest, remarkable, particularly soft, with a remarkable aroma and bouquet of flowers and toasted notes with a hint of resin in the finish.
