### Comments

Le Roc is a wine made from plots of Syrah situated at the foot of one of our magnificent villages in the north of the Massif, dominated by a limestone cliff. A north-easterly aspect, a cold climate and slow, late ripening give this wine lovely tension and radiant freshness, with a woody character that combines power and finesse. Le Roc is made from plots of Syrah situated at the foot of the magnificent village of Saignon, dominated by a limestone cliff. A north-facing position, a cold climate and slow, late ripening give this wine great tension and radiant freshness, with a combination of power and finesse.

### Pairing

This wine is the perfect accompaniment to wild boar stew with mashed potatoes and truffles, or chocolate cake.

### Tasting notes

A very pure nose. Hints of morello cherry mingle with a very soft, delicate toastiness, and the palate is dazzling, with the same aromatic purity in the background. The whole is vibrant and marked by morello cherry. The tannins are structured and powdery, with just the right presence to accompany the aromatic development on the palate. The finish is marked by cocoa aromas.
