This is a special story. A few years ago, Marina Cvetic found two 700-liter French oak barrels in the basement that had been purchased by Gianni but never used. For the 2010 vintage (First vintage production of La Botte di Gianni), Marina decided to use it to vinify a white and a red wine and age it for 30 months. This resulted in a super limited edition of around 900 bottles of each variety, which were filled and numbered by hand. The line that expresses Masciarelli craftsmanship more than any other. This package consists of 2 bottles: 1 bottle of 75 cl - Montepulciano d'Abruzzo DOC Riserva La Botte di Gianni - 2016 vintage 1 bottle of 75 cl - Trebbiano d'Abruzzo DOC Riserva La Botte di Gianni - 2016 vintage
