Comments

The lemons used for the Limotto are obtained from the Tenuta Iuzzolini's own lemon trees and are not grown with artificial fertilisers. The simple and natural family recipe without colourings and stabilisers testifies to the authenticity of the product.

Pairing

It is suitable as a digestif after a fine meal or for the preparation of ice cream specialties and sorbets. Serve ice cold!!!!!!

Tasting notes

Radiant, yellow-fruity limoncello with fruity citrus notes. On the palate it is elegantly creamy with a wonderful freshness. The Limoncello Limotto is served ice cold. Limoncellos are also often used as an ingredient in cakes, ice cream and other desserts, such as Tiramisù al Limoncino.
