Comments

Marzadro's fruit liqueurs are characterised by fresh and exquisite flavours. They are the result of a continuous commitment to create products in which the quality of the raw materials used is an absolute priority.

Pairing

At the end of a meal, it goes perfectly with classic confectionery products. Also suitable as an ingredient for the preparation of desserts and ice cream or for original and sparkling cocktails. Serve well chilled or with ice cubes.

Tasting notes

According to the traditional recipe of the Riviera dei Limoni on Lake Garda, this sweet and at the same time strong liqueur is made from lemon peel extracts.
