### Comments

Our story always takes us to the historic old customs warehouse, when Giocondo still had a unique and magical ritual, a drink that was the forerunner of coffee, for his many friends who came to visit him. He has always managed, with simplicity and wisdom, to roast his acorns with small pieces of Ethiopian coffee. We have created a coffee amaro that is unique and timeless. Ingredients: Ethiopian coffee, roasted acorns, oak, vanilla, bitter orange aloe, China, Quassi.
