Comments

Here, the potential of the ancient autochthonous grape varieties, which has not been used for many years, comes to the fore. If you have never heard of "Gaglioppo", for example, then let yourself be surprised. The ageing of this wine is unique, as it is matured in chestnut wood barrels from the estate's own vineyard.

Pairing

Ideal with grilled meat and game.

Tasting notes

Full-bodied, round, soft on the palate with fine-grained tannins - very accessible; strong, finesse-rich finish.
