## Comments

The "simple" Nebbiolo is also made according to Roberto Voerzio's maxim of exerting as little influence on the wine as possible in order to fully express its own character. A maximum of 1 - 1.5 kg is harvested per vine. Area production approx. 10,000 to 12,000.

## Pairing

With risotto, polenta with mushrooms, roasted meat, medium-aged cheeses.

## Tasting notes

Forest fruit aromas dominate the nose, including notes of wood and nougat; The approach is balanced, harmonious, the acidity and tannins are well balanced, ending with aromas of black cherries. Smooth and full at the same time.
