Pairing

This Sicilian olive oil is excellent for elevated Mediterranean cuisine. Enjoy it traditionally with crusty white bread or bruschetta. It is also perfect as a base for fresh salads and vinaigrettes, or as a flavorful finishing touch drizzled directly over freshly cooked pasta.

Tasting notes

This unfiltered premium oil shines in the glass with an intense, vibrant golden-yellow color. The nose reveals a distinct, fruity olive aroma, harmoniously accompanied by notes of fresh tomato plants and wild herbs. On the palate, the olive oil starts wonderfully soft and almost sweetish, before being perfectly rounded off in the finish by an elegant touch of bitterness and a finely balanced, pleasant peppery kick.
