Grape varieties	Cabernet Sauvignon, Merlot
Article no	15305120

Comments

The "Oreno" was named after the river that flows through the Tenuta. It is the company's top wine, the result of the successful combination of the structure of Merlot with the class of Cabernet Sauvignon and the elegance of Sangiovese. It exemplifies the potential of this wine-growing region and the Moretti family's absolute focus on quality.

Pairing

High-quality meat, game, braised meat.

Tasting notes

Dark red and very compact, from the depths of its still young scent a fruit of excellent ripeness first rises to the surface, followed by subtle balsamic and spicy nuances. The extremely concentrated and voluminous taste with the long, complex finish reveals a lot of tannic power. The wonderful harmony between its components ensures that

the wine is already easy to drink, but above all will continue to develop advantageously.
