Type	Gin
Origin	Italy, Liguria
Producer	Portofino Liguria
Contents	50 cl
Alcohol content	43 %
Article no	71061790

Tasting notes

Portofino Dry Gin combines 21 botanicals, each of which has been carefully selected for its natural aromatic properties, and takes you on an unforgettable journey to the Italian Riviera. Its first notes are fresh lemon and crisp juniper, which transport you to the hills of Portofino. They open the way to a universe of Mediterranean flavours: from the scents of wild rosemary and lavender from the coastal bushes to the sweet and delicate notes of marjoram and sage that evoke the flavours of traditional Ligurian cuisine.
