## Comments

Tenuta Iuzzolini's recipe for success in producing top quality white wines, and thus Prima Filas, is to harvest the grapes early so that the acidity and aromas are well present, as well as the microclimate that prevails in this area. The vineyards are located near the sea (300 m above sea level), where a constant refreshing wind blows and a good temperature variation between day and night characterises the climate.

## Pairing

Excellent with main dishes based on fish, crustaceans and shellfish. But also well suited as an aperitif.

## Tasting notes

Floral scent, notes of fresh fruit such as white peach, banana and mango with a hint of hazelnut and almond on the finish. The taste is full, fruity and aromatic with a fresh aftertaste.
