<b>Enjoyment phase</b>	up to 4 years
<b>Serving temperature</b>	8 - 10°C
<b>Alcohol content</b>	11 %
<b>Grape varieties</b>	Glera 100 %
<b>Article no</b>	13404000

### Comments

Prosecco is originally the name of an old grape variety from Veneto. The grape variety takes its name from a village of the same name near Trieste (far outside the current wine-growing region). The name has nothing to do with the Italian adjective secco (dry). Already in ancient times, Prosecco was highly esteemed as vinum Pucinum.

### Pairing

Ideal with fish dishes and fresh summer cuisine, as well as an aperitif or for parties.

### Tasting notes

Pale yellow with green reflections. Clean on the nose, subtle fruit, floral notes. Clean on the palate, good mousseux, medium density and length.
