Comments

The fresh mountain air from the San Boldo Pass flows into our vineyards and slows down the ripening process. This gives the grapes a tart quality that makes them ideal for making brut.

Pairing

Ideal aperitif, with appetizers and first courses with vegetable sauces, as well as with minestrone, seafood and fine fish dishes.

Tasting notes

Brilliant, light straw yellow, lively with a fine and persistent perlage. Elegant and complex nose of golden apples with hints of wildflowers. Flavor intense, dry and fresh.
