Comments

The word *hazañas* originates in Spanish and means "heroic deeds". However, the origin of the expression goes back to the glorious deeds of Spain's literary heroes such as Rodrigo Diaz de Vivar, whose numerous *hazañas* against the Moorish infidels inspired the poem: *Cantar del mio Cid*. The philosophy of the *Hazaña* brand is to incorporate modern trends without losing the characteristic personality of Rioja.

Tasting notes

Fantastically deep colour, wonderful berry fruit and moderate toast and vanilla character. With a hint of spice on the nose, the palate shows an incredible smooth

structure. Appearing, slightly dusty museum scent... very nice! Tight and compact on the palate, grainy structure, juicy acidity brings balance and drinking flow, all backed by fine cassis candy fruit.
