### Comments

The Casanova di Neri winery was founded in 1971, when Giovanni Neri acquired an extensive estate in the municipality of Montalcino. Over the years, land was sought and terrain was acquired where excellent conditions for growing great wines existed.

### Pairing

An excellent accompaniment to any type of meat and mature cheese.

### Tasting notes

Brilliant Rosso di Montalcino with a charming, clearly defined bouquet of cherries and plums. Very stimulating to drink on the palate, unfolds with soft, supple tannins, very juicy.
