Comments

A wine with temperament, to which the exceptional soil and climatic characteristics give great density and concentration. The Merlot was harvested by hand at the end of August, the Sangiovese in September.

Pairing

A nice accompaniment for noble dishes: roasted meat, game and spicy cheese.

Tasting notes

Rich, luminous ruby, fine, fragrant nose with notes of ripe blackberries and dark cherries. Hearty in the approach and course, it shows tight tannins, which, however, have a soft core. This wine develops beautifully, very clear and precise with a long finish.
