Comments

Matured in handpicked American ex-Bourbon casks, the "Solist" Bourbon comes at cask strength and is not chill-filtered. This results in a fuller flavor experience for this natural single malt.

Tasting notes

The "Solist" ex-Bourbon Single Malt shows itself in a warm golden yellow. Delightfully complex on the nose, fresh and clear with a pleasant fruitiness and notes of vanilla, coconut and spices. On the palate it has an excellent balance between natural sweetness, vanilla and spices. Round and complex.
