

Sir Chill Gin Patoro

Sir Chill

Type	Gin
Origin	England
Producer	Sir Chill england
Contents	50 cl
Alcohol content	37.5 %
Article no	70428628

Comments

Sir Chill Gin is unique in the world of gin. Aromas of vanilla, mandarin and almonds have been added to the extract of the tobacco plant. A special gin for moments that deserve pure enjoyment. The specially selected flavours have been refined into a balanced composition. That's why we recommend a neutral tonic water, some ice or a botanical such as cedar wood. This lively wood gives your drink a fine effervescence and a soft wood note.
