Article no	95427727

Comments

Stopper for sparkling wines with plastic application. By squeezing, the existing air in the bottle is easily sucked out to create a vacuum. The lid is easy to put on and take off again and seals the drink absolutely airtight. In this way you can keep your sparkling wines for several days without any problems and they remain fresh and sparkling. - Available colors: Black, Red, Gray and Purple. Please note the desired color under "Remarks" during the ordering process.
