## Comments

"Syrah is a noble Mediterranean grape that grows best in light and dry areas like Sicily. The Maroccoli vineyard is located at 400 metres above sea level in an unspoilt spot in the north-west of the island, where the unique grapes are picked with the most modern equipment and a great deal of respect. The Syrah's imposing and unobtrusive nature makes it ideally suited for long ageing. "

## Pairing

Ideal to accompany a good piece of meat, with cured meats or especially with oriental cuisine.

## Tasting notes

Fascinating, spicy with a long aging in wood. Notes of black pepper, cinnamon and berries.
