Comments

Pure Trebbiano d'Abruzzo grapes harvested at the end of September and fermented in steel for a young and fresh wine that tells the story of the vine in the most authentic way. The simple Guyot system naturally lowers the Trebbiano's lush productivity and offers well-balanced grapes.

Pairing

The Trebbiano goes well with soups and fried fish dishes, fresh pasta and seasonal vegetables.

Tasting notes

Dense white wine with aromas of crisp apples and pears and a nice honey texture, while the body is medium to full, structured and flavorful.
