## Comments

As a symbol of the noble wine tradition of Abruzzo, Trebbiano d'Abruzzo finds the ideal breeding ground for developing personality and character when it matures in French oak barriques. From the vineyards of Bucchianico, at the foot of the majestic gorges, wines of great balance and concentration are obtained, thanks to the high planting density and the very low yield per hectare, the manual harvest and the maceration at low temperatures. Fermentation in wood for 15 to 30 days.

## Pairing

Grilled / fried fish, poached fish, medium-aged vegetable dishes, seafood / shellfish / poultry meat

## Tasting notes

Marina Cvetic Trebbiano Riserva has a clear yellow color. The bouquet is intense and the aroma is strong. The taste is fruity, floral and spicy with hints of papaya, yellow peaches, lavender, honey and vanilla.
