### Comments

The Marche's greatest treasure is the white Verdicchio, which only grows here and is now one of the most important white wine grapes in Italy. Verdicchio is always matured in a pure variety, depending on the type, in steel tanks, in large wooden barrels or in barriques.

### Pairing

Goes well with fish, seafood or even poultry.

### Tasting notes

Intense golden yellow; Seductively open on the nose with notes of ripe bananas, sweet melons, lychee. Round and flattering at the start, elegant balance, perfect structure and harmonious finish.
