### Comments

A very old clone of Verdicchio, from one of our oldest vineyards, fermented for the first time in 10 completely new barriques. This ageing process has given this wine, which is completely different from all other wines, richness and complexity. Only 3000 bottles of the first 2019 vintage were produced. A niche of our production in which all our energy, passion and attention has been invested.

### Pairing

Excellent with pan-seared sea bass with herb butter, lobster with saffron butter, or tender veal cutlets with sage. Harmonizes wonderfully with risotto, creamy polenta, and dishes with roasted almonds that highlight the wine's complex flavors.

## Tasting notes

---

Intense, even and crystalline yellow colour with golden reflections. Elegant bouquet, complex on the nose, floral. Sweet notes mingle with almond and butter notes, meet slightly lemony mineral notes and merge into an exceptional bouquet of unusual richness and intensity. Opulent and concentrated on the palate, very savoury, with a beautiful sweetness and excellent length and persistence. Finishes with notes of roasted almonds
