Comments

It is flavored with 25 carefully selected herbs and spices.

Pairing

Perfect for all classic cocktails. (It was originally drunk just before meals to aid digestion).

Tasting notes

It has a light hue of medieval coppery brown. On the nose there are notes of cherries with fresh summer fruits, yarrow and tonka bean blossoms, wild herbs (dandelion and mint), a heart of warm spices, red fruits, orange peel and exotic quassia. Perfectly balanced.
