Enjoyment phase	up to 10 years
Serving temperature	8 - 10°C
Alcohol content	13 %
Grape varieties	Cabernet Sauvignon 35 %, Merlot 65 %
Article no	14301719

Comments

Vinification: The grapes are carefully destemmed and the fruit is then crushed. Fermentation takes place with maceration on the skins at a controlled temperature in stainless steel tanks. The juice is frequently pumped over the cap for about three weeks to extract colour and aroma from the skins and then bottled. Ageing: Ageing in stainless steel and small French oak barrels lasts 12 months. The bottled wine is usually stored in temperature-controlled storage cellars for at least four months.

Pairing

A noble accompaniment to red meat and poultry

Tasting notes

Color: intense violet red, almost impenetrable Nose: Alluring and intense. The enveloping notes of ripe cherry, raspberry, blackberry, apricot and nashi mingle with

spicy notes of vanilla and tobacco leaf. Palate: Soft and sensual attack. The sweetness of ripe fruit and candied orange peel complete the elegance of the tannic structure. Spicy finish of turmeric and cinnamon.
