The BOWMORE 12 Years is the most drunk Bowmore worldwide. It is considered by whiskey friends to be an excellent entry-level whiskey into the world of Islay malts.

Pairing

After a meal or just to enjoy.

Tasting notes

Very distinctive scents of sea and peat smoke - typical of Islay single malts. On the palate, the scents slowly give way to a lingering sherry sweetness with aromas of citrus fruits and clear spice notes. This 12-year-old Bowmore shows an enormously harmonious side.
