### Comments

The 15-year-old single malt from the traditional Bowmore distillery on Islay beguiles with intensively smoky notes and lots of sherry. The rich sweetness is juxtaposed with the peaty elements, with the two opponents defying each other well.

### Pairing

After a meal or just to enjoy.

### Tasting notes

Notes of chocolate dominate the nose, flanked by subtle scents of raisins. Soft and long-lasting, with a warming finish and subtle sherry notes.
